\*The API for joint publications will have to be calculated in the following manner. Of the total score for the relevant category of publication by the concerned teacher the First/Principal author and the corresponding author/supervisor/mentor of the teacher would share equally 60%of the total points and the remaining 40% would be shared equally by the other authors. For example, if the total score for a publication is 10(say), then the First/Principal author, the corresponding author, supervisor, co-supervisor and mentor would get 6 points each and the other authors would get 4 points each.

\*\* API score for III E(ii) will be claimed solely by the author who participated and presented the paper (oral/poster). However, if a paper presented in Conference/ Seminar published in the form of Proceedings, the points would accrue for the publication (III) (a) and not under presentation III(e) (ii)

**Note: Date of publication of research paper will be 1<sup>st</sup> January in case of journals published annually; 1<sup>st</sup> day of the half year in case of journals published half yearly, 1<sup>st</sup> day of the quarter in case of journals published quarterly; 1<sup>st</sup> day of month in case of journals published monthly and likewise**
