

(A State University Established under Haryana Act No. 29 of 2013)  
Recognized u/s 12 (B) & 2(f) of UGC Act, 1956

No. IGU/Physics/2026/ 218

Dated- 01/10/2026

**NOTICE INVITING QUOTATIONS**

Due Date and Time: 22<sup>nd</sup> October, 2026, 05:00 PM

Sealed quotations are hereby invited from reputed vendors for the supply of the following instruments/equipment/experiment required by the Department of Physics, Indira Gandhi University, Meerpur, Rewari. Interested and eligible vendors are requested to submit their sealed quotations to the undersigned on or before 22<sup>nd</sup> October 2026.

| S. No. | Apparatus                                                                                                                             | Qty. | Remarks                                                                                                                                                                                                                                       |
|--------|---------------------------------------------------------------------------------------------------------------------------------------|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | Spectrometer, prism, broad spectrum source, mercury light source, discharge tube, H.T. power supply, Bunsen burner, Cu and Fe samples | 2    | Relevant experiments:<br>a. Verification of Hartmann's dispersion formula using a prism spectrometer.<br>b. Analysis of H-atom spectra and determination of Rydberg constant.<br>c. Analysis of Atomic Emission Spectrum of Fe and Cu samples |
| 2      | Fabry-Perot interferometer, Sodium light source                                                                                       | 1    | Relevant experiments:<br>a. Study of Fabry-Perot interference Fringes and determination of wavelength separation of spectral lines                                                                                                            |

**Terms and conditions:-**

1. The quotations are to be sent in registered post in a sealed envelope marked QUOTATION for the above mentioned instruments DUE Date 22<sup>nd</sup> October 2026 and this envelope may be put addressed to the undersigned.
2. The rates of S.T./C.S.T./G.S.T., EXCISE, CUSTOM and other taxes chargeable must be specified.
3. The rates of insurance, if any, should be specified. The firm will be required to submit the original Payee Receipt along with the bill.
4. The quotation should be in favor of Registrar, Indira Gandhi University, Meerpur, Rewari.
5. The time period within which the items will be supplied should be stated.
6. GUARANTEE PERIOD OF THE INSTRUMENTS MUST BE MENTIONED.
7. The rates should be inclusive of delivery at the Department of Physics, IGU, Meerpur, Rewari. No additional charges towards transportation or delivery shall be payable by the University.
8. State if you are the original manufacturer/ sole distributor of the items quoted by you.
9. GST registration number of your firm should be mentioned.
10. Acceptance of the instruments shall be subject to satisfactory report of the inspection committee.
11. The quoted rates shall remain valid for a period of at least three months from the last date of receipt of quotations.
12. The authority reserves the right to cancel any or all the quotation without assigning thereof.
13. The dispute, if any, shall be subject to the jurisdiction of the Rewari Court. Any other jurisdiction mentioned in the quotation or invoice shall be invalid and have no legal sanctity.
