

AIDS Awareness Campaign on the Occasion of National Youth Day Campaign from 24 January 2023 to 26 January 2023

A three day campaign was organised by YRC to spread awareness against AIDS from 24-26 January, 2023. On 24-25 January, 2023 YRC volunteers, counsellors and programme coordinator visited the surrounding areas of Meerpur, Rewari. Through campaign awareness was raised regarding the importance of engaging youth in the prevention and treatment of HIV/AIDS. Youth voices and peer-to-peer education are potent weapons in the fight against the AIDS epidemic. On 26 January, 2023, a signature campaign was organised where volunteers pledge to help an infected HIV person to lead a dignified life.
