

Most Respected Parents and Dear Students,

We understand that during this tough time of Corona, every parent is concerned about the future of their children. In these circumstances, we want to apprise all the students and parents that the administration of Indira Gandhi University will discuss the *modus operandi* for providing quality education for the forthcoming session 2020-21. As students and parents are very important stakeholders of any educational institution, we at Indira Gandhi University Meerpur cordially invite the students of previous year (old students to be enrolled in next class for the session 2020-21; except the students of final year) along with their parents to participate in the online meeting with the Hon'ble Vice Chancellor to be held on **July 3, 2020 at 11:00 AM**. It is anticipated that during this very important online meeting, the valuable suggestions from the parents and students will help us to start our next academic session 2020-21 with more vigour and focused approach in order to achieve the academic excellence. The link of the online meeting is given below and same will also be forwarded by the Departments to all students/parents on their mobile phone.
